

Better Outcomes Now is pleased to announce the 2019 Training of Trainers Conference (TOT), January 28-31 in West Palm Beach. Participants will be limited to 20 so that maximum interaction, discussion, and learning can occur.

**February 4-7, 2019** (24 hours of CEUs or CEs). This intensive training experience intends to give you all you need to train others and implement the Partner for Change Outcome Management System (PCOMS). And it is the first step to become a Better Outcomes Now Certified PCOMS Trainer. An in-depth coverage of the rationale for and research supporting PCOMS is provided as well as a thorough understanding of how to train others in the clinical nuances of using the ORS and SRS. Other vital topics include data collection and management, the secrets of agency implementation, and a four-step supervisory process that ensures successful implementation while simultaneously improving outcomes. **Escape the cold, enjoy the warmth of the Florida sun, and get everything you need to train and implement PCOMS at your agency or organization, including all the training materials that Barry uses.**

#### **Participants Will Receive**

- Barry's PowerPoint presentations for the whole week including a two-day annotated PowerPoint presentation to guide you through training and implementation of PCOMS;
- The New PCOMS Manual which covers the whole gamut from clinical implementation to supervision and agency implementation—*PCOMS: An Integrated eLearning Manual for Everything PCOMS* (a \$49.95 value); and
- Certificate of attendance and 24 hours of Florida CEUs for counselors, social workers, and MFTs and 24 CEs for psychologists provided by the Training Institute.

We are also going to have a lot of fun in sunny, beautiful South Florida—dinner and a taste of that famous South Florida night life is part of the agenda.

Just \$1195 US for 24 hours of small group intensive training. Agencies that have been successful point to the TOT as key to their success.

**Register now by emailing Barry at [barrylduncan@comcast.net](mailto:barrylduncan@comcast.net) or calling 772.204.2511. Send check to Dr. Barry L. Duncan, P.A., PO Box 6157, Jensen Beach, FL 34957 or register online by credit card at: <https://betteroutcomesnow.com/products/training-trainers-conference/>**
